The exotic blend of herbs and spices, and the intricate preparatory methods, are all intended to let aromas and flavours sink into the fare and your senses. Not only does the food smell or look gorgeous, it fires your appetite until you and your taste buds succumb to the temptation. And the seduction is total!

All the herbs and spices used, are not just for aromas and flavours, but for their digestive and nutritional values. Chillies are rich in Vitamin C. Fenugreek (Methi) peps up liver. Ginger, Cumin and Peppercorn aid digestion. Mint is cooling while Coriander is good for kidneys.
